Punahou Wins League Championship Saturday

Buff and Blue Defeat Kamehameha Team By Score of 6 to 0—Noble Kauhane Makes Two Goals From Field in Final Game for Championship at Alexander Field—Poor Head Work By Kam Sends Them to Defeat in Crucial Game of Year

Playing at top form the Punahou eleven triumphed over the Kamehameha team and won the interscholastic championship on Alexander field last Saturday by a score of 6 to 0. From many angles the contest appeared to be a brilliant one, but looking at the play from the Kam standpoint the game was loosely played. There was a large crowd present and the rooting was the best of the year, but the head work displayed by Kam stuck out like a sore thumb. It was unpardonable. Had Kam used all the possibilities that they could have made from their plays it might have been a different story. Their work in forward passing was the worst of the year. They tried to pass when some other play was the thing, and when they did try it they never threw the ball anywhere near a Kam player. Seven times the Punahou players grabbed the ball. It was really pitiful to watch the Kam players use this play.

The Punahou Spirit. Taken team for team there is no one who watched the game on Saturday that will say that Kam is not as good as Punahou. The Punahou players will admit that. Playing the right play and fighting for the goal they possibly might have a shade on the Buff and Blue, but Punahou had the difference. They got all that was possible out of their strength and they had the Punahou spirit working overtime yesterday.

Picking stars out of the game Saturday was a hard matter. There were so many misplays that some of them must be forgotten. Noble Kauhane was the real dyed-in-the-wool star if you watch the score board for your choice. He was the only point player for Midfield eleven. On two occasions he dropped back and booted the ball over the posts for a nicely executed place kick. In his work in the back field he also displayed sufficient talent to mark him down in the Punahou hall of fame.

Napahaa and Correa Again. Napahaa and Correa also showed up well. They hit the line well, ran the ends and were always backing up the team. Napahaa's ability to plunge his way through the heavy Kam line was one of the features of the game. Gifford also played his usual strong game and time and again broke through the opposing line and got his man. Every player on the Punahou team was in the game from start to finish, and although Mott-Smith passed poorly his work on the defense was a revelation to the onlookers. Time and again he would spill the play and was always with the ball.

Harry Bertelmann was the big tower of strength on the Kam line. With Simeona, he was in every play and Bertelmann could be seen stopping the runner time and again. Simeona was in the play every moment. He charged well and presented a stone wall on defense. Hussey at end was active and although he did not star as he has in other games he played consistent ball. Eaton was the back who made the best impression Saturday. He hit the line in fine fashion and continually booted his way through for big gains. G. Bertelmann also gained, but his line bucking ability was not up to the standard of Eaton. Isaacs proved that he could be depended on to punt, as he got his kicks off well and made a good average for the day.

Punahou came on the field at 3:22 accompanied by the cheers of the Buff and Blue. Kam came on the field at 3:24 and the ladies and cadets cheered the big team to the echo. The officials and captains consulted in the center of the field and at 3:25 Kauhane kicked off to Eaton on the 18-yard line. Eaton ran the ball back seven yards. Eaton went through right tackle for three yards. G. Bertelmann hit the left tackle for three yards. On a forward pass play Norrie grabbed the ball. Two plays failed and Kauhane gained 10 yards through the line. Kam penalized five yards. Napahaa dashes through the line for a big gain. After two plays Kauhane kicks a place kick from the 14-yard line. Score Punahou 3, Kam 0.

Kauhane Scores. Pun kicks off and Kam takes the ball back to the 40-yard line. Eaton makes four yards and G. Bertelmann makes first down. The ball is tumbled in the center of the field and all scramble for it. Punahou gets the ball and marches down the field to the Kam 10-yard line. Hussey gets Correa for loss and on the next play Kauhane kicks a place kick from the 13-yard line. Score Punahou 6, Kam 0.

Punahou kicks to G. Bertelmann, who runs the ball back five yards. Kam makes first down. The Kam backs hammer the Punahou line and march down the field to the Pun 20-yard line where a fumble occurs and Norrie recovers. Punahou immediately kicks and the first quarter ends with the ball in the middle of the field.

In the second quarter the teams fought back and forth on the field and at the end of the period the ball was Punahou's in the center of the field. Between quarters a team of youngsters with bare feet and cheeks of

tan amused the spectators with some Minnesota shifts and Carlisle trick plays.

The teams were fighting hard in the third quarter and neither team could advance the ball inside of the 25-yard line. In the last quarter Eaton made two good runs but the work of forward passing was poor. The teams tried different shifts but neither eleven threatened to score in this period. Kam and Punahou are scheduled to play at Alexander field on Thanksgiving Day if present plans go through.

MAKIKI STARS WIN BY CLOSE SCORE AGAINST 2ND INFANTRY SQUAD

Yesterday afternoon at the Makiki field the Makiki Stars defeated the H. Company, 2nd Infantry team by the close score of 7 to 6. Up to the seventh inning, chances looked slim for the Stars, the score standing 5 to 1 in favor of the enlisted men. In the seventh the Stars scored three runs, and in the eighth they netted another run, tying the score. In the eleventh inning Company H rallied and scored one run, winning themselves one run advantage, but the Stars scored two more runs in their inning, winning the game by one run.

PRESIDENT WILSON WILL ATTEND ARMY-NAVY GAME

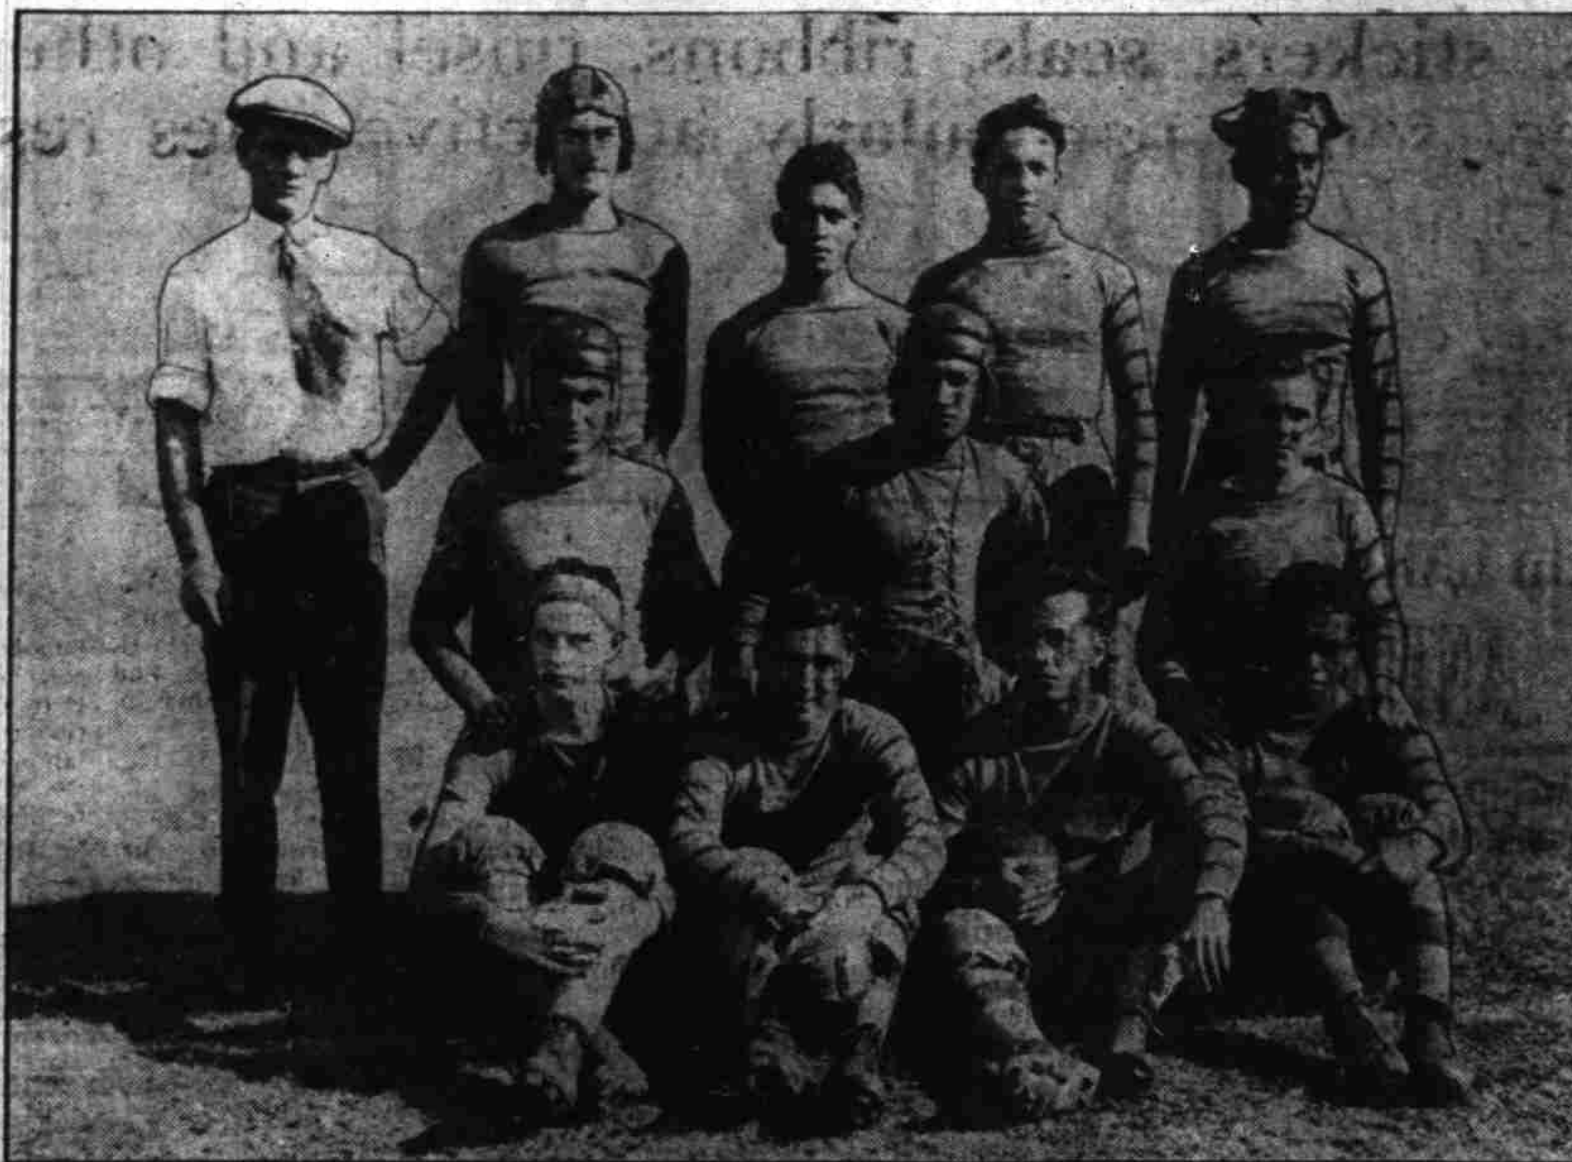

Word has been received that President Wilson will attend the football game between the teams of the service schools, which will be held at the Polo ground in New York on November 27. Eighteen seats have been reserved for the President's party on the Navy side.

FORD BUYS CHALMERS' STOCK IN SAXON COMPANY

A deal of big significance in motor manufacturing circles has become known in the announcement by Hugh Chalmers and Henry W. Ford that Mr. Ford has purchased all of Mr. Chalmers' holdings in the Saxon Motor Company. By so doing Ford becomes the largest individual stockholder and the dominant figure in the successful Saxon Company, which has served as president and general manager from its organization.

The number of women to reach 1,000 men in the United States in 1910 was 334. In England, Germany and France the women predominate.

CHAMPIONS OF INTERSCHOLASTIC LEAGUE

Left to right—Back row—Coach Midkiff, Bromley, Kauhane, Pratt, Kula, Thurston, Correa, Baldwin, Mott-Smith, J. Smith, Peterson, Hitchcock and other players who have broken into the game have all played well. Punahou has again earned first place for the 12th consecutive time.

HAWAII DEFEATS MCKINLEY TEAM BY BIG MARGIN

At 2 o'clock Saturday afternoon the College of Hawaii romped through the McKinley aggregation by a score of 19 to 0. This score was just slightly more than the former game, which ended 17 to 0 in favor of Hawaii. However, McKinley did not have the services of Clifford Melim in the first game as he was laid up with a sprained shoulder. But Saturday the team failed to show the spirit and scrap of their former games and even with the services of Clifford Melim they had no show to score.

Austin and Brown played well, both on offense and defense. Austin especially made some long runs that was one of the main features of the contest. Clifford Melim made some nice gains for High school but he was not playing up to form. In fact, the whole McKinley team looked like a bunch of scrubs. About the only men who did really good work was Joe Stickney, who took Hawkins' place in the second half. He made several good plunges through the line and twice prevented Austin from clear fields by nice tackles. The Carter boys did good work on the defense but were rather weak on the offense.

The passing of Brash was a big feature, making one pass of 35 yards and one of 40. Lee at end distinguished himself by catching Brash's passes on several occasions for big gains. Austin also caught several for 10 yard gains each time. These passes, together with Austin's long clear field gave the game, although a one-sided one, much excitement and aroused much applause from the rival Punahou and Kamehameha cheering sections.

Play in Detail. Austin kicked off for Hawaii to the 10-yard line. Carter could only run the ball back to the 20-yard line and after being held for three downs, McKinley was forced to kick. Austin caught the ball on the 40-yard line and by a spectacular run through a broken field made a touchdown. Austin kicked the goal.

Austin again kicked off and Carter ran the ball back to the 38-yard line. McKinley was penalized for crawling. Lee then broke through and made a nice tackle behind the line. McKinley fumbled, Pratt fell on the ball. Three hard plunges by Brown netted 30 yards to a touchdown. The goal was not kicked.

Austin again kicked off and Hawkins ran the ball back to the 35-yard line. McKinley made first down on three kick tackles by C. Melim and a plunge by Hawkins. H. Melim then made two good gains, securing first down for McKinley. Quarter ended as McKinley made two yards. Score, Hawaii 13, McKinley 0.

for he could get started. C. Melim made first down on two plays through right tackle. Three kicks gained another first down for High school. On a trick pass formation Brown caught C. Melim five yards behind line of scrimmage. After an incomplete pass Hawaii got the ball on downs. Austin caught a forward pass for 10 yards' gain. Austin made a clear field for 35 yards but was finally brought down on McKinley's five-yard line. The half ended as Brown was held for gain.

Score: Hawaii 13, McKinley 0. Stickney Breaks In. C. Melim kicked off for High school to Hawaii's 20-yard line. Brash bucked the line for three yards. Stickney broke through the interference and nailed Austin five yards behind the line of scrimmage. McKinley got possession of the ball on downs.

Stickney made three yards through tackle. Melim made 18 and Stickney made two more. Here Hawaii braced and secured the ball on downs. Stickney made a nice tackle, causing Austin to lose three yards. Spencer made a long run but barely ran offside and made only three yards. Forward pass, Brash to Lee, netted 50 yards. Stickney saved clear field by stopping end run of Austin. Brash made three yards, and a forward pass five more. Hawaii penalized five yards for offside. A forward pass, Brash to Austin, netted ten yards and Austin made an end run for 12 more. Score: Hawaii 13, McKinley 0.

The fourth quarter opened with Hawaii in possession of ball on McKinley's 20-yard line. Brash failed to gain but Brown made five yards. C. Melim intercepted and caught a forward pass on McKinley's three-yard line. Melim immediately kicked for 30 yards to Brash, who ran the ball back ten yards. Brown made five yards through left tackle. Two passes failed and so Brown dropped-kicked, but just missed the goal. The ball was brought out to the 20-yard line. C. Melim made five yards but Carter was held for no gain. C. Melim made four yards. McKinley kicked to Hawaii's 45-yard line. Austin made 25 yards on an end run and a forward pass. Brash to Lee, netted 25 more. Two kicks failed but McKinley was penalized for being offside, and Hawaii had the ball on McKinley's one-yard line and first down. Spencer made a quarterback rush for a touchdown. Austin failed to kick difficult angle.

Hawaii kicked off and A. Brash ran the ball back to the 45-yard line as time was called. Score: Hawaii 19, McKinley 0.

ATHLETICS WILL BE FEATURE AT 'Y' DURING WEEK

The Y. M. C. A. will have a busy week in athletics. Tonight the Honolulu and Service meet in a bowling match which will practically decide the honors of the first round in the league.

Tomorrow noon a committee composed of Edgar Methuen representing the Healanis, B. Carter the Myrtles, Edrie Cook the H. A. C. and Sam Kahalewai the Knights of Kamehameha will meet at 12:30 to discuss plans for a big swimming meet on December 4. This meet would include the members of the Y. M. C. A. grouped into the four clubs mentioned and would doubtless prove a success.

Swimming is due for a boom at the 'Y' on account of the action of the physical committee last week in making swimming free to full and intermediate members as well as boys during the winter months. A member pays a nickel for his suit and towel, but the use of the pool is free beginning today.

Tomorrow evening there will be a double-header in the senior basketball league. The first game will be between the fast Service team and the Dormitory. The second game will be the feature in that it will decide second place between the Tigers and Cosmopolitans. Both teams are practicing hard, and the struggle should be fast and interesting.

On Wednesday evening interest will be divided between a bowling match, the last of the first round, with the Colts and Nationals as opponents, and an athletic exhibition given in the games hall by boys of the Korean club under the direction of S. W. Robley. This is in the nature of a benefit for the athletic work of the Korean school which Mr. Robley does without remuneration. Those who attend will see a good entertainment and help a worthy cause.

On Friday there will be a practice game of basketball between the Service and H. A. C. of the club league at 8:30. The regular club league schedule begins December 3 with the P. B. C. H. A. C. Service Club, Night School Club and probably the Dormitory as the competing clubs.

Saturday evening is given over to the intermediate league basketball. The El Globos and Washingtons will meet in a game which will doubtless decide the championship, as both clubs are unbeaten to date. The XX club plays the Get Readys. The games night before last showed the XX club winners over the Knights of Kamehameha 8 to 2, while the El Globos triumphed over the Get Readys by a score of 18 to 0.

YALE TO HAVE LONG SCHEDULE OF ROWING DATES

The Yale rowing schedule has been announced and is the longest schedule in the history of Yale rowing. All of the Eastern colleges will be met on the water, ending with Harvard at New London next June. The first race will be with Columbia, on the Harlem, one week from Friday, the evening before the football game with Princeton.

The Yale varsity will meet Columbia, Cornell, Princeton, Harvard and Pennsylvania and the other crews that take part in the American Henley.

KAIMUKI WINS FROM PUNCHBOWL IN OVERTIME BATTLE SUNDAY

The Kaimuki won a 13-inning game from the Punchbowl team by a score of 2 to 1 at Makiki field. It was a very exciting game from the first to the last inning.

August Camacho did the pitching for the Kaimukis, and did not allow a hit. The feature of the game was the excellent support by both teams. The Kaimukis scored their first run in the fourth and their winning run in the last inning when J. Camacho stole home from third base. The Kaimukis held the Punchbowl team down in the last half of the thirteenth inning. J. McGuire played a star game at left field.

The line-up of the winners and the score follow:

Kaimuki	L. Camacho, ss; J. McGuire, lf; H. Haglund, 1b; H. Choone, 3b; J. Camacho, 2b; H. Lat, 2b; A. Camacho, p; M. Nelson, cf; F. Lishman, rf; A. Nelson, c.
Punchbowl	0 0 1 0 0 0 0 0 0 1—2

PALAMA INDOOR BALL TOSSERS WIN ANOTHER CONTEST ON SATURDAY

Team	W.	L.	Pct.
Palama	5	0	1.000
Kauluwela	3	1	.750
Star-Bulletin	3	2	.600
Kalihi	1	2	.333
Kakaako	1	3	.250
Beretanika	0	5	.000

Saturday night at Palama the Star-Bulletin boys played the greatest uphill game they ever played, and with two down in the last of the ninth and everybody hitting the ball hard Chew was caught between third and home due to poor coaching.

The Bulletin pitcher should have won his game with a margin of at least five runs but he had no support behind the bat. Five times the catcher dropped the third strike, and four of these costly errors resulted in runs. Johnson, pitching for Palama, twirled a good game, striking out 11 men, and he received better support in the field than did the Bulletin pitcher, who struck out 24 and held Palama to eight hits. The Bulletin made 18 hits, but the ill-odged reaching on the part of the Palama catcher kept the fast Bulletin boys anchored to the bags.

Wah Han was way off in his playing and hitting, striking out three times and going out on easy grounder the other times. Lam and Chew led both teams in batting, both hitting the ball hard when hits meant runs. There was a large crowd present and continual rooting.

Saturday night's game gives Palama a good lead and they will start the second half of this year's series with a comfortable margin, but the rest of the teams have braced and the second half of the journey will be no easy way for Palama to travel.

Tonight Kalihi meets Kakaako at Kalihi in the Junior league.

No. 7—VARIATIONS IN STANCE AND GRIP WITH SOME ADVICE

ALTHOUGH the fundamental positions of hands and feet have been minutely described in preceding articles, it does not follow that slight variations are not permissible. This is so as regards the overlapping of the little finger, but it is most strongly recommended that this form of gripping the club

Gilbert Nicholls. Top of swing for driving. Note the straight left arm

be persevered in, until it is easy and natural to hold the club in this manner, for in this feature of Vardon's grip is its chief virtue. By gripping the club with the little finger overlapping, the strength of the grip of the right hand will be in the first two fingers and the thumb, where it should be, which will allow the right hand to be used to its full power, as adjusted, and will remove any necessity of endeavoring to restrain its dominance over the left hand, which is one of the inherent weaknesses of the ordinary grip. It is this reduction of the power of the right, accomplished by the overlapping grip, that automatically makes a unit of the two hands.

Many who think they cannot use the overlapping grip, saying that their hands are too small or their

SHAFTER ELEVEN TAKES GAME FROM SCHOFIELD SQUAD

Another surprise party happened out at Mollili field yesterday afternoon. When the game was called the 1st Infantry team had figured that they would trample upon the boys from Fort Shafter, but when the game was over the Shafter eleven had scored six points while the representatives from Schofield were unable to score.

Second Infantry broke into the game with but a week's practice and proved their knowledge of the game by holding their opponents safe all the way. The lone score of the battle came in the second quarter. The 1st Infantry team had been taking the ball for a short gain and the ball was lost and finally went over to the Shafter crew. The 2d Infantry worked the ball down to the shadow of the goal post and Brunswick was sent through for a five-yard gain and a touchdown. Goal was not kicked.

Play Steady Game.

Both teams played well considering the amount of time that they had for practice and in the future games should show improvement in their play. The punters got their kicks off well while the backs charged through the lines. With a little more speed in getting the play going both teams should give the fans of Honolulu some good football.

Second Infantry kicked to the Schofield men to open the game and they worked the ball back by line backs to the 25-yard line. They then worked cross bucks and off tackle plays to the middle of the field and the Shafter team was up in the air. Finally Shafter braced and Schofield was forced to kick. Long made a wide end run down the side lines but was forced out of bounds. Shafter had the ball in Schofield's territory when the whistle blew.

In the second quarter Shafter got into action and by a series of end runs and off tackle plays brought the ball down to the five-yard line where Brunswick went over. Hasquin failed to kick goal. In the fourth quarter Long again started a sensational play and after running 30 yards down the field was stopped on his own 10-yard line. Two punts were fumbled and the ball went to the Shafter and then to the Schofield team. After three end plays were tried and failed Shafter secured the ball as the game ended. Thanksgiving morning the National Guard team will play 1st Infantry eleven at Mollili field.

Tonight Kalihi meets Kakaako at Kalihi in the Junior league.
